

T-TIFFANY

Losing team has to ice
scare naked at
night.

WHAT?! Hold
on, Tiffany, we didn't
agree to this.

EEEP

Left Yourself open again, Brittney. Come on, keep up.

GASP

No way...

WOAH WOAH WOAH WOAH WOAH

SLIP

SO HELP ME, YOU BETTER NOT TELL ANYONE ABOUT THIS!

she acts like this is nothing. It's like she likes being naked.

What? she may be vain, but no way she can be some kind of Weirdo nudist.

At least I'm not ashamed
of real nail color.

At least I can keep
my clothes on
You nudist freak.

That's enough. You two
are acting like children.
Now I want you to
stop fighting & talk
about this.

she knows my
secret and now she's
making fun of me
for it. I kind of
lost it after that.

I just wanted
payback for you
sleeping with all night.
I don't care if you're
a nudist.

You don't
think it's
weird?

I mean
it is but
I don't
really care.
I just wanted
to tease
you.

How about
we finish
our ten laps
together and
next time we'll
get those
losers.

I think I
can get through
this now. It doesn't
feel so bad.

AAAWWW
Everything ended
pretty sweet,
didn't it?

I guess.
It is kind of
weird how
they're getting
feeling into it.
